# YOUR WEDDING DAY

---

Enjoy complete exclusivity of the venue and gardens for the duration of your wedding day.

The Italian Garden offers a fabulous setting for civil ceremonies and the Orangery has all you need for your wedding breakfast and evening celebrations.

With complete privacy and no neighbours, we can keep the celebrations alive until the early hours for you and your guests – we will keep the party going until you say stop at no extra cost!

# CIVIL CEREMONY

---

The Italian Garden is a beautiful and unique outdoor setting that can hold up to 300 guests.

This idyllic space is fully licensed for civil ceremonies, offering the perfect place to say your vows.

Offering the best of both worlds, the front of the Italian Garden is completely open giving a romantic, outdoor feel, yet the space is covered so ceremonies can continue in any weather.

# CHURCH CEREMONY

---

Not only is Elmhay Park fully licensed to hold civil ceremonies in the Orangery and Italian Garden, those who wish to have a religious ceremony can opt to marry in one of the three nearby Churches.

## St Mary's Church

St Mary's Church is located at the heart of the estate, just a three minute drive from Elmhay Park, and is available for religious ceremonies with an advised capacity of up to 100 guests.

St. Mary's enjoys the unique setting of being at the edge of a lake with a moat around it and is often referred to as 'The Island Church.' It's remoteness means there is no electricity supply to the church so all services are candlelit and the organ is pumped by hand.

The picturesque setting, the lack of electricity and the traditional services mean that those who visit the church enjoy an unforgettable experience. Many of the regular congregation travel miles in order to be here, and would miss the character (and characters) of this unique Church.

## All Saints, Lullington

All Saints Church is situated at the north entrance to the estate, in the traditional English village of Lullington. The church is approximately a 5 minute drive from Elmhay Park.

All Saints is a stunning bright and airy church that can accommodate up to 150 wedding guests.

Contact the Church Warden, Jenny Ladd, on 01373 830514 for more information about marrying at St Mary's and All Saints.

## St John's Church

St John's Church is located two miles from Orchardleigh Estate in Frome. This large Parish Church can seat up to 350 guests; fitting for a town that was larger than Bath until 1650.

This magnificent Church is a Grade 1 listed building and lies a short distance up a hill from the town center. For further information and to discuss your wedding in more detail, please contact St John's Parish Office on 01373 462325.

# DRINKS RECEPTION

---

After saying 'I do', reception drinks and canapés can be served on the terrace overlooking the stunning gardens of Elmhay Park, in the Italian Garden or in the Orangery.

We offer a huge variety of reception drinks, including Champagne, Sparkling Wine, Prosecco, Pimms, Mulled Wine and Beer.

We also offer a mouthwatering selection of Canapés, which can be tailored to suit your tastes and compliment your special day.

# Catering & Menus

---

## Our Head Chef

At Orchardleigh we take great pride in our food. Our Executive Head Chef, Karl Stephens, demands the best quality ingredients. At Orchardleigh we will endeavour to provide our own produce wherever possible.

## Meat

Our Beef comes from Estate reared Aberdeen Angus and is hung for 28 days before being served as we believe this is the only way to enjoy top quality Aberdeen Angus beef. Pork is from our herd of Saddleback sows and Pietriene boar. This cross gives a beautiful flavour and is much leaner, the bacon, sausages and ham are all absolutely delicious. Our lamb is from our flock of Shetland cross sheep. It is said that the further north the breed the better the flavour, and it is!!

## Eggs and Vegetables

Our beautiful tasting eggs with deep yellow yolks are from our Black Rock chickens. We soon hope to be growing almost all our own vegetables, including potatoes, parsnips, cabbages, cauliflower, runner beans, onions, carrots. They all taste completely different from those sold in the supermarkets!

## Bread

Our bread comes from a local bakery and is baked and delivered fresh every morning.

## Cheese and Preserves

Our cheese comes from a local merchant and is not served until it is mature, which is so important for cheeses like Stilton and Brie. Our preserves, jams, marmalades and chutneys are home produced and locally sourced.

## Fruit

We have our own apple orchard which produces beautiful eating and cooking apples. Soon we will be producing raspberries, strawberries, gooseberries and blackberries.

## Fish

Our fish comes mainly from Brixham and is fresh. Our kippers are oak smoked for 7 days and come from the Isle of Man - taste the difference!!
